Toronto Pearson International Airport Parking Instructions for Corporate Clients

Airport Parking at Toronto Pearson

Toronto Pearson offers a wide range of airport parking products to suit your business travel needs. There are three products to choose from for airport parking:

- **Valet Care**
- **Daily Park Garage** at Terminal 1 & Terminal 3
- **Value Park Garage** located at 6145 Viscount Road.

Each corporate traveler will need to pick up a **Corporate Parking Access Card** before they proceed to the airport. Below is the procedure that all travelers will need to follow in order to receive their eligible parking rate:

Valet Care

Departure:

1. Follow Valet Care signs on the entry ramp to Departures level inner curb of Terminal 1 or Terminal 3
2. A Valet attendant will greet you, process your vehicle, and hand you a Claim Check to retrieve your vehicle upon return. You can walk directly into the Terminal while the Valet attendant moves your vehicle to our secure, covered garage

Arrival/To pick up your vehicle:

1. **Terminal 1** Proceed to Level 2 between Arrivals and Departures. Take the West Bridge connecting you to Level 5 of the Parking Garage to retrieve your keys from an agent at our Customer Service Counter.
Terminal 3 On the Arrivals Level, follow Valet Care signs to our Customer Service Counter located near Door F to retrieve your keys from the Valet Care agent.
2. Provide the Valet Care Customer Service attendant with your Valet Claim Check and your Corporate Parking Access Card to receive your corporate rate, an exit ticket, and a receipt
3. Proceed to your vehicle, drive to the exit gate, insert your validated ticket in the Exit Gate Kiosk and exit the garage.

Terminal 1 & Terminal 3 Daily Park Garage and Value Park Garage

Follow the signs to the Parking Garage of your choice. Please note for Terminal 1, enter through any of the “Daily Park” lanes (**NOT “Express Park”**). Pull a ticket and park anywhere in the Daily Park Garage.

Upon return, travelers have two options to validate their parking:

Option 1: Exit Gate Kiosk

1. Proceed to your vehicle and follow Exit signs to the exit plaza
2. Place the parking ticket into the slot. The machine will process the parking ticket, display the amount owing, and request payment
3. Scan your Corporate Parking Access Card with the barcode reader on the bottom left of the Exit Gate Kiosk (**do not ingest Corporate Parking Access Card into card slot**). The barcode reader will scan **white**
4. Pay discounted amount shown on screen
5. Obtain your receipt and exit the garage once the barrier arm opens

Option 2: Pay-on-Foot Kiosk (POF)

1. Proceed to any POF Kiosk, located in the parking garage
2. Insert the parking ticket into the slot. The machine will process the parking ticket, display the amount owing, and request payment
3. Scan your Corporate Parking Access Card with the barcode reader on the top left hand corner of the POF kiosk
4. **Hold the barcode about 1 inch from the glass (do not ingest Corporate Parking Access Card into card slot). It may take a few tries to read barcode and illuminate green**
5. Pay discounted amount shown on screen
6. Obtain your receipt and the exit ticket
7. Proceed to your vehicle and follow Exit signs to the exit plaza. Insert paid ticket into the Exit Gate Kiosk and exit the garage.
